**About Rotary:** Rotary is a worldwide organization of business and professional leaders that provide humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32,000 clubs in more than 200 countries and geographical areas. The main objective of Rotary is service – in the community, workplace and through the world. Rotarians develop community service projects that address many of today’s most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers and other professionals for vocational and career development. The Rotary motto is *Service Above Self*.

**Interact Club:** Rotary is represented at local high schools through the Interact Club. Students participate in service projects and international outreach through these student-run clubs. Participation in Interact Club may be a consideration for scholarship awards.
