THE FOUR WAY TEST

Is it the **Truth**? Is it **Fair** to all concerned? Will it build **Good Will** and **Better Friendship**? Will it **be Beneficial** to all concerned?

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The Development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

THIRD: The application of the ideal of service by all Rotarians to their personal business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional men and women united in the ideal of service.

Joe Pruzzo - Castle Air Museum

Our speaker on Tuesday was Joe Pruzzo, CEO at Castle Air Museum since 2006.

Castle Air Museum, located in Atwater, is adjacent to Castle Airport, a former US Air Force Strategic Air Command base, which was closed in 1995.

They receive No funding from the US Air Force, who owns most of the aircraft, so they depend on fundraising events, membership, admissions and legacy donations, to preserve and display their collection of historical airplanes. Joe spoke about a campaign they are working on, to build a new 80,000 square foot display hangar, large enough to house their current collection and more. The hangar will further preserve the aircraft longer, keeping them out of the direct sun on a daily basis.

District 5220 Foundation Dinner and Gala: November 2nd at the Double Tree Hotel in Modesto. \$75 per person or a table of 10 for \$1,000.

Food collection drive starts Today 10/29 to 11/15 with distribution on 11/21

We have a collection box in the Wilkey building, or you can make a donation.

Food and or Funds, will be donated to New Life Christian Center Food Bank

" When donating to a food bank, it's important to choose non-perishable, nutritious items that have a long shelf life. Canned vegetables & fruits, canned proteins: tuna, chicken, beans, peanut butter. Grain and carbohydrates: instant rice, pasta, noodles, potatoes, oatmeal. Canned or boxed meals: soups, stews, chili, pasta kits. Shelf stable milk: powdered milk, dairy, almond or soy. Snacks: granola bars, dried fruit, crackers. Cooking essentials: salt, pepper, basic spices in small packets. Toiletries: toothpaste, shampoo, soap, (travel size), Diapers, baby wipes, feminine hygiene products.
