@My Garden Cafe, 1501 Geer Rd**

August 27, 2024

Dave Heft - General Manager, Turlock Mosquito Abatement District

Who knew there would be so much interest and information about mosquitoes?

Dave Heft - General Manager, Turlock Mosquito Abatement District, provided 30 minutes of presenting and answering questions.

We could have gone on longer, time permitting. Some takeaway, mosquitoes can live in your home without ever going outside. Get rid of any standing water. A low-flying airplane is the best method to spray. Mosquito repellent with DEET is still the best. The human health risk assessment concluded that there are no risks of concern when dermally applied. DEET was developed in 1944 for the US Army. Thank you, Mike Brem, for recommending such a great topic

OctoberFest is This Friday, September 6th at Pajeo Lavender Farm

11573 Golf Link Rd, at 6:00 p.m. If you need a single ticket, reach out to Tina Gong. Arlon Waterson/Jaime Tavares are requesting help setting up Friday at 12 noon and tearing down about 9:15pm on Friday Night

7 Areas of Rotary Service

- Peace and Conflict Prevention/Resolution
- Disease Prevention and Treatment
- Water and Sanitation
- Maternal and Child Health
- Basic Education and Literacy
- Economic and Community Development
- Supporting the Environment

The Club is going to help serve meals during the holidays.

This will be a family event in the spirit of giving. Tina Gong is working on the details, more information to come

The Senior Assistance Program & Adopt-A-Park tentative date is proposed to The City of Turlock and the High Schools. October 19th, December 14th, February 8th & April 22nd. We are still looking for one or two major projects to support and fund with the Club Grant for 2024/2025
